This plan has been prepared from preliminary survey plan (SP300873) and engineering plans provided on the 03/09/2018 by Premise Engineering Pty Ltd.

GREENBANK ROAD

Development approval was granted for this subdivision (DEV2016/768) by the Minister for Economic Development Queensland (17/10/18).

The relevant authorities have granted operational works approval, for the proposed lot.

Extent of retaining walls shown indicatively only. Retaining walls may not extend the full length of a lot boundary where finished level between allotments is less than 0.5m.

The purchaser should refer to the applicable development approvals for building and/or other requirements that may be applicable to the lot.

Parts of this lot may be subject to rip and re-compact earthwork procedures as determined by site conditions. This process may be completed in cut locations to assist the house pad construction. Any re-compaction will comply with AS3798 requirements and certified by a third party company.
